- Fall 202 **Guest Lecturer**  
Global Health Research Methods course, University of Toronto Dalla Lana School of Public Health
- Fall 2016 **Course Development Advisory Board Member**  
“A Public Health View of the Carceral System: Past, Present, and Future,” Columbia University Mailman School of Public Health
- Fall 2014 **Lead Teaching Assistant**  
Foundations of Public Health, Columbia University Mailman School of Public Health
- Fall 2014 **Family Stars Program Instructor**  
HIV Center for Clinical and Behavioral Studies, Columbia University
- Spring 2015 **Family Stars Program Instructor**  
HIV Center for Clinical and Behavioral Studies, Columbia University

Spring 2013

**Science Teacher**

Sonrise International School, Ghana

## Research

2019

**Researcher and Health Expert**, United States Agency for International Development/Integra LLC

Principal Investigators: Yao Lu (Columbia Sociology) and Daniel Naujoks (Columbia International and Public Affairs)

2018 - 2021

**Graduate Research Assistant**, Department of Epidemiology, Columbia University

Principal Investigator: Lisa Bates

2017 - 2018

**Graduate Research Assistant**, Department of Sociology, Columbia University

Principal Investigator: Peter Bearman

2016 - 2017

**Project Director**, Center for the History and Ethics of Public Health, Department of Sociomedical Sciences, Columbia University

Principal Investigators: Amy Fairchild and Merlin Chowkwanyun

2015 - 2016

**Project Coordinator**, Center for the History and Ethics of Public Health, Department of Sociomedical Sciences, Columbia University

Principal Investigators: Amy Fairchild and Ronald Bayer

2014 - 2015

**Graduate Research Assistant**, Center for the History and Ethics of Public Health, Department of Sociomedical Sciences, Columbia University

Principal Investigator: Amy Fairchild

2014

**Graduate Research Assistant**, HIV Center for Clinical and Behavioral Studies, Columbia University

Principal Investigator: Katherine Elkington

2009 - 2012

**HIV Testing and Counseling Program Coordinator**, Department of Emergency Medicine, Johns Hopkins Medicine

Principal Investigator: Richard Rothman

2009 - 2012

**Research Assistant**, The National Center for the Study of Preparedness and Catastrophic Event Response, Johns Hopkins Medicine

Principal Investigator: Richard Rothman

## Skills

**Statistical analysis:** Proficient in R, Familiar with SAS, STATA, Qualtrics

**Qualitative analysis:** Proficient with ATLAS.ti, Dedoose, NVivo

**Document preparation:** Proficient with LaTeX, Microsoft Office, Markdown

**Reference managers:** Proficient with EndNote, Mendeley, Zotero

**Systematic reviews:** Proficient with Covidence

**Version control:** Familiar with Git, GitHub

**Spatial analysis:** Familiar with Geoda, QGIS, R

**Languages:** English, Hebrew, Spanish

## Professional memberships

2020 - Present	Population Association of America
2018 - Present	American Sociological Association
2017 - Present	Interdisciplinary Association for Population Health Science
2015 - Present	American Public Health Association

## Affiliations

2021 - Present	Research Affiliate, Berkeley Interdisciplinary Migration Initiative (BIMI)
----------------	--

## Academic Service

### *Department*

2015 - 2016	Writer and Editor, <i>SMS Weekly</i> (Departmental weekly newsletter), Department of Sociomedical Sciences, Columbia University
2015 - 2017	Leadership team member, Incarceration and Public Health Action Network Department of Sociomedical Sciences, Columbia University

### *University*

2013 - 2015	President and Founding Member, Association for Justice and Health, Columbia University
